Moving from Durham to Germany

Dear Gerhard Hirsch,

After settling into the new surroundings in Germany I want to take the time to congratulate you and your colleagues on a job well done.

You gave us all the necessary advice on how to organize ourselves for the move and arranged everything beforehand. The team of packers and movers around Wojtek also did an excellent job when they arrived in Durham last week. Our household belongings – including the car – seem to be well protected and stored for their journey across the Atlantic. Even when the situation became a bit hectic on Friday, as a second, moving-in team arrived at the house, they remained calm and did everything necessary to secure the loading of the container.

I hope I will have a similar experience when everything arrives in Karlsruhe. You certainly set a high benchmark.

Yours sincerely
